The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Pembroke Community Center Project in fiscal year 2023. The entity to receive funding for this project is the town of Pembroke, MA.

The funding would be used to supplement the construction of a new combined Senior Center and Recreation Center in the historic Pembroke Center District. This new building will replace the asbestos-contaminated building currently in the space and will create a new community center that will serve as a catalyst for the revitalization of the downtown area and a community-building space that will benefit the entire town.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "William R. Keating". The signature is fluid and cursive, with the first name "William" being particularly prominent.
